Believing that they can give the public a much cleaner and better yard in a new pal than an old second hand one, and also do away with the danger from any contagious disease germs the meat markets will not take back lard pails after January 1.

### ROOSEVELT ACTS FOR JEWS.

Investigate Representatives Abroad to Investigate Kishineff Rumors.

Washington, Dec. 30.—At the instance of President Roosevelt, who has interested himself in the reports from abroad of massacres and contemplated massacres of Jews in Kishineff, the state department is making active inquiry through its diplomatic and consular officers with the view of ascertaining the exact situation as affecting these people. The United States consular agent at Odessa already has been heard from, and he cabled the state department that there has been no fresh outbreak at Kishineff as reported.

Simon Wolf, representing the B'nai B'rith, and Adolphus S. Solomons of New York, one of the trustees of the Baron De Hirsch fund, held a conference with Acting Secretary Loomis, during which the subject of the Jews in Russia was discussed. Mr. Loomis showed them the Odessa dispatch, which gave them some feeling of relief. They did not present a petition and will not do so unless later information proves the situation to be as serious as reported. Mr. Wolf said that he had been impelled to call at the department on account of the meeting which recently was held in England over which Lord Rothschild presided, which he said gave the matter a character of seriousness which otherwise might not have been accepted.

Simon Wolf endeavored to have an audience with Baron Sternburg, the German ambassador, but without avail. The ambassador was not at home to Mr. Wolf when the latter called at the embassy and had Baron von dem Bunsche Haddenhausen, the first secretary and counselor, see him. Mr. Wolf informed Baron Bunsche that he came primarily in the interest of a client who had done some legal work for the embassy and was now in trouble. Mr. Wolf improved the opportunity, however, to say that he was interested in the Kishineff agitation in this country and had an appointment to see the president on the subject. Mr. Wolf made no proposition to Baron Bunsche touching the implication of the embassy in the troubles of the Jews.

### TOO LATE FOR CLASSIFICATION.
